half may be spoken aloud or written in words but that makes mathematics very difficult and also means that only people who speak the same language as you can understand what you mean. A better way of writing a half is as a fraction 1/2 or as a decimal number 0.5 It is still the same number no matter which way you write it.

Rubrics SFUSD Mathematics

Rubrics are a tool for evaluating student work. There are two main types of rubrics: holistic—a rubric that provides one overall score—and analytic—a rubric that provides scores for different categories. Most of the rubrics in the SFUSD Math Core Curriculum are 4 point holistic rubrics. A rubric is often used in conjunction with an answer key.
